## THE JUDGE ORGANIZATION

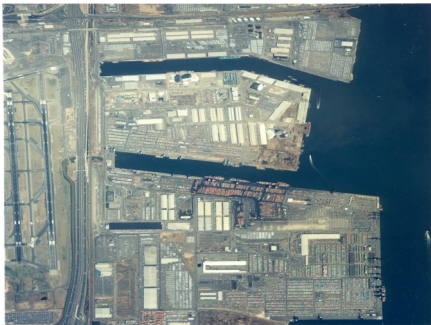

## PORT ELIZABETH TERMINAL & WAREHOUSE CORPORATION

*"We have the power to bring  
you closer to your customer."*

## HISTORY

Port Elizabeth Terminal & Warehouse is a division of The Judge Organization providing a full range of public warehouse/distribution services.

The business was founded over 85 years ago in 1924 by Patrick J. Judge, Sr. in Brooklyn, New York.

## CUSTOMER SERVICE

“We have the power to bring You Closer to your customer”.

.....”Serving Since 1924”.

## TRANSPORTATION

Transportation services are provided by two other divisions of The Judge Organization. P. Judge & Sons Trucking provides domestic and international transportation using our own equipment with a 300 mile radius of New York and Chicago. Amex Shipping, our brokerage division, provides service throughout the continental United States and Canada.

## INFORMATION SYSTEMS

Our computerized Warehouse Management System, bar code scanners, and EDI capabilities provide our customers accurate and timely inventory and order visibility. We also offer direct email communications with a personal account manager. Our leading edge systems are flexible and operate in a high performance, high reliability environment with multiple high speed links to the internet.

## TRANSLOAD/WAREHOUSE

Port Elizabeth Terminal & Warehouse occupies 750,000 sq. ft. of single story warehouse space at the Port Newark/Elizabeth Port Authority Marine Terminal, Port Newark, New Jersey. We handle over 8,000 rail-box cars and 15,000 containers per year.

Location Advantages:

- ◇ Over 80 steamship line serve the port
- ◇ Excellent access to rail, air, and road transportation
- ◇ A market of over 40 million consumers within a 200 mile radius.
- ◇ Ability to legally transport heavily loaded import and export containers within the Port Newark/Elizabeth Marine Terminal Complex.
